Conditions of Hire & Touring Sites

All Units

Tenants must accept personal responsibility for their own personal property. We appreciate well behaved children and ask parents to accompany small children to the toilets. Any person driving on the park must have a driving licence, be covered by insurance, and the speed limit is 10 miles per hour.

The proprietors reserve the right to re-let any caravan or touring pitch after 6pm Saturday or stated day of arrival unless previously notified of late arrival.

Please keep noise down and radios and T.V.s turned down after 22.00 hours.
Please close car doors quietly.

Touring Units

Payment of site fees for the period booked, are required in full on arrival at site and are not refundable.

When leaving, carefully remove all tent and awning pegs as these can cause damage to our mowing machines.

Pitches to be vacated by 12.00 hours on day of departure unless otherwise agreed with the proprietors.

Dogs are allowed with touring units, but must be kept on a lead at all times in the park. Any mess on the park must be cleaned up by the dog owner.

Any one failing to comply with the above or whose pet becomes a nuisance will have to leave the park.
